

South Asia Forum for Energy Efficiency

*A joint initiative of World Energy Council – Indian Member Committee and
Energy Saving Commission-World Foundry Organization, UK*

*Member, CII Affiliated Associations Council (ASCON)
and Member, FICCI*

Engineering Energy Efficiency

SAFE

PANORAMA

The genesis

SAFE constituted. MoU signed by
Vijay Prakash Saha, Chairman (2006-11), Energy Saving Commission, World Foundry Organization, UK and
R S Sharma, then CMD, NTPC, Member Secretary, World Energy Council – Indian Member Committee

About SAFEE

The South Asia Forum for Energy Efficiency (SAFEE) was formed in 2009 as a joint initiative of World Energy Council-Indian Member Committee and Energy Saving Commission-World Foundry Organization (WFO). It is a not-for-profit organisation registered under the Societies Act. Since 2009, SAFEE is actively working in the energy sector to promote greater awareness about energy efficiency, equity, environment and enterprise. Experts at SAFEE contribute to nation-building through policy research, policy advocacy and sectoral studies with participative knowledge networking.

Vision

To be the front-runner organisation in Asia promoting energy efficiency environment equity and entrepreneurship through informed debates and knowledge networking

Mission

- ◆ To promote energy efficiency through benchmarking of best practices within the country and region.
- ◆ To do policy research and advocacy and disseminate information on government initiatives and policies on energy efficiency & conservation
- ◆ To actively campaign for energy equity through greater use of renewable energy resources and Clean Energy, especially in rural areas
- ◆ To establish a network of experts in relevant energy sectors
- ◆ To support entrepreneurship in energy initiatives and create greater awareness about it through energy audits, trainings, workshops and publications.

Agenda for action

- ◆ Conduct survey of energy saving initiatives in the relevant sectors in India
- ◆ Support Government initiative Make in India through structured programmes and campaign
- ◆ Conduct workshops on Best Practices in Energy & Industry
- ◆ Collaborate with other organisations with similar objectives for knowledge sharing, and promoting SAFEE objectives.
- ◆ Prepare reports on relevant energy efficiency & energy conservation issues and challenges
- ◆ Launch Green India Initiative to promote Green Industry, Green Cities and Green Villages
- ◆ Promote Smart Grids and IT based solutions for smart cities
- ◆ Organise programmes to educate and facilitate greater energy access to rural people and alleviate energy poverty
- ◆ Organise Global Energy Efficiency Technology Summit (GEETS) and Sustainable Energy Efficiency and Technology Awards (SEETA)
- ◆ Form Industry-Academia partnerships to facilitate excellence in engineering with industry interface
- ◆ Increase outreach to South Asian countries
- ◆ Publish SAFEE Energy Efficiency Newsletter (SEEN)

MEMBERSHIP & FEE STRUCTURE

Individual Members

One time enrolment fee	Rs 500	US\$ 50
Annual membership fee	Rs 500	US\$ 50
Life time membership fee	Rs 10000	US\$ 1000

Corporate Members

One time enrolment fee	Rs 500	US\$ 50
Annual fee for SME with annual turnover not exceeding Rs 50 crores	Rs 5000	US\$ 500
Annual fee for others with annual turnover not exceeding Rs 100 crores	Rs 10000	US\$ 1000
Annual fee for others with annual turnover in excess of Rs 100 crores	Rs 20000	US\$ 2000
Life time membership fee for all corporate members	Rs 100000	US\$ 10000

SAFEE Road Shows' Global Reach

Delhi: Chief Guest Lord Swraj Paul & Mr G K Pillai, then CMD HEC & Mr Ram Chandra, IIF-NR

Doha: Mr Vijay Prakash Saha with Dr Farooq Abdullah, then Minister for New & Renewable Energy, Gol

Durham: Chief Guest Mr Andrew Turner, Secretary General, World Foundry Organization, UK

Mumbai: Mr Natubhai Desai, Mr Jayant Shah, Mr M H Velankar, Mr Yatin Shah and Mr Gautam Mukhopadhyay of IIF, GMC, Mumbai

Durban: Mr Omie Singh, Member of Parliament, Natal, South Africa and Indian Consul General Mr Anil K Sharan with SAFEE delegation at COPS-17

Montreal: At World Energy Congress. Mr J K Mehta with Mr Gautam Vivek of World Energy Council-India
